from the president...

ten years as President.

Serving as President of Copiah-Lincoln Community College has been the greatest honor and professional experience of my life, and it would not have been possible without the support of many individuals. We've had a lot of success at the college, and I believe I am leaving Co-Lin a better place. I am very proud of what was accomplished during my

Co-Lin has a wonderful reputation and a distinguished history, and it is our responsibility to carry on that tradition. Like the many that came before each of us, we take a turn in our jobs and eventually pass that responsibility on to someone else. It is now time for me to pass my responsibilities on to Dr. Jane Hulon. I know you will support her as President in the same manner you supported me, those that came before me, and those that will come after her.

The future is bright at Co-Lin. Thank you from the bottom of my heart for your support and many friendships. I look forward to seeing you all at various special occasions and events.

May God bless you and bless Co-Lin.

Ronald E. Nettles

campus updates

Roofing and AC project repairs are now complete on the Tom Reed Academic Building on the Natchez Campus.

The Willie Mae Dunn Library on the Natchez Campus installed new flooring.

Construction continues on Co-Lin's Dr. Ronald E. Nettles, II, women's honor residence hall, on the Wesson Campus. The 22,000 square foot two-story residence hall will have 28 double bedrooms with space for 56 students.

Renovations and roofing projects are nearing completion on the historic Ewing Administration Building on the Wesson Campus.

Historic Callender Hall has received a new roof, windows, and exterior renovations on the Wesson Campus.

The Wesson Campus Cafeteria located in the Henley Building is being renovated with a new serving line and food options.
